

IUAES

29 Sept. 2024

As the Co-chairs of the World Anthropological Union (WAU), we are very concerned about the continuous violence against the Guarani-Kaiowá people in Mato Grosso do Sul, Brazil, and thus endorse the Brazilian Anthropological Association's denunciation and repudiation of the attack on lives in the Nãnde Ru Marangatu Indigenous Land in Brazil. We urgently seek change that guarantees the end of conflict and provides respect for indigenous peoples and their territories.

Sincerely,
